“ I had the best granny in the whole world. she always had cookies and gum for us. She gave great advice and loved us more than anything. I miss her so much, it feels like a whole in my chest but she left us with peace and I know one day she will be waiting for me. She will be in my thoughts everyday. I will never let my kids forget how much she loved them. She said kids running through the house and hugging her and kissing her made her day. She was loved by all.##imported-begin##Vicki Hays##imported-end##
