“ During a major ice storm all electricity went out. Daddy loaded all his girls, Angela, Denise, Linda , Lutie, and Leartha into the car drove up the hill, sideways most of the time. Then took a left through a winter wonder land of white trees bending to touch the ground. We chugged up another hill trying not to get stuck until we finally made it to Aunt Flossie's house. It was awesome she had her house good and warm from her wood stove. Meals were cooked on that stove s
.And when bedtime came she warmed bricks and put them at the foot of the bed to warm our very.it was an awesome adventure for a young kid.
