“ *Debbie, I am so very sorry for your loss. I lost my precious Daddy 31 years ago and I still miss him dearly but he is no longer suffering and you will find great comfort in that. Your wonderful memories will be a great comfort as well and God will help to give you strength in the days ahead. You have been a great source of strength and comfort to those you love -please know you need to lean on someone now for comfort and know that those that love you here are waiting with open arms. I wish I could be there with you but I am here for you if you need me to talk - just listen or to cry with. We are a kindred spirit and I love you Debbie.*
