“ To my dear family in Tennessee: We are all heartbroken by this sudden and tragic loss. Uncle Gene was a wonderful, sweet, kind and genuine soul like so few other people I have ever known. We all so wish we could be there to say goodbye.

I know in my heart that Uncle Gene is at peace and in heaven with Jesus, our Lord and Savior. I know, too, that he is with my parents and all of our loved ones who have preceded him in death.

I keep thinking of that church song that says "it's only in dying that we are born to eternal life". That statement is true of course. But the pain of the loss for those left behind can sometimes feel absolutely unbearable. It certainly has for me many many times.

We must keep in mind that GOD WILL WIPE AWAY EVERY TEAR.

Light and love always - to you all and for all of you.

All of our love always,
