We always went to her house on the weekends for church and to ride horses. Geneva loved her horse Lady.. we laughed so many times.. even the time she thought she was going to drive us to the bus stop. We didn't make it out of the driveway.

She always made sure to get a hug and kiss when she seen us. She will be missed. We all loved her. And she always let you know how happy she was to see you. I love you Geneva.

It Seems like yesterday that Robert would sing the guitar " Pawn Shop in Chicago" and Geneva would be cooking and she would come running to sing her part in the song.
