“ *Geneva was my first cousin and we were close. She was a prankster through and through. She and her sisters and brothers and my two brothers and four sisters use to go hunting for mistletoe when we were young. My dad and mom used to have her and her siblings had them at our home many Christmases ago. My family had some of the best times and we loved them very much.rip, Geneva.we will never forgot you. Your cousin, Katie Burruss*

“ Mrs. Ferguson was a dear friend of my mother, Lola Martin. She stopped by and talked with me after she heard of mothers passing. It meant so much to me! She came back and visited with me while we cooked in mother's back yard during the Henderson County Fair last fall. She had fun eating with us and fellowshipping at the fair. I will miss her! Geneva was one of my first cousins. I as well as my family have many fond and unforgettable memories of her and her siblings at our house. Geneva kept us all entertained with her pranks and silly things we did growing up. My dad (her dear sweet mother's brother) and my mother loved her and her siblings as their own. On behalf of the Brice Burruss Family we send our eternal love and prayers for the family during this time of loss. We have NO doubt that Geneva is reaping her reward with our Heavenly Father. RIP sweet lady.
