“ *Aunt Ginny was always so full of love and energy. I admired how she did so much traveling and just enjoyed life in her later years. She will always hold a special place in my heart.*

“ *We will miss you aunt Ginny. We always enjoyed every time we were able to get together hearing stories of your life. The research she did on our family history and the knowledge she shared with us was wonderful. Most importantly knowing about her relationship with God as her Savior was the best to know. She used that love to pour into so many lives in so many ways. So as she has now stepped into her new home we know she's with the ones that have been waiting there.*
