“ Ashley and Chip,
I am so sorry to hear about the loss of your son. I never had the pleasure of meeting Greyson but everyone I've talked to said that he brought love and happiness to everyone around him. When my mother passed away, someone wrote me a card that said "You can't think of death as someone being taken away from you... but rather that you were given the gift of having them in your life... if even for a moment." That always stuck with me. Take comfort in the love of your family and friends and please let me know if there's anything that I can do.

Sincerely yours,
Ryan Denley###imported-begin###Ryan Denley###imported-end##
