“ *The Gwen I remember was when she was a senior in high school and I was in first grade. I had known her and her family all of my life and lived less than a mile from them. Gwen was so vivacious, smart, friendly -- just an all around lovely person. I also know her as a good Christian woman who was an inspiration to me and many others. I am thinking of her family today and praying they are at peace that only God can give. Rest in peace, Gwen. You are one person who helped me on my way.*

“ Tommy and Family, I clicked on Pafford's website quite by accident to learn of Gwen's death. I wish you all that Christ's love can bring to you in your time of loss. We all loved Gwen because of her friendly nature. I know you realize her dedication and service for the Lord. Sometimes God calls his servants to himself at "just the right time". I hope that was the case for her. Rest in God's provision of Grace in this hour, and know you are in my thoughts.
