“ I ‘m really going to miss you Pat. ❤️ Mrs. Todd left her saying to all students that followed ones from her elementary classroom to high school. “Get, what you get, and.....don’t throw a fit!” Always in her rocking chair where her students gathered around her sitting in a circle on the colorful carpet. I started my career having learned so much from such a great teacher. ❤️💕😭😭👏👏❤️💕🙏🙏

“ Mrs. Todd was my first teammate when I started teaching. She taught me so much that I’ve carried with me throughout my teaching career. I’ll never forget her smiles, her sense of humor and the respect the kids and staff had for her. She will always hold a special place in my heart. Her love for Jesus, sweet tea and Tennessee will forever live on.

“ *Pat was a special friend of mine because we share the same birthday, January 25. She formed our Knitwits group at First United Methodist Church several years ago so that we could sit together and make comfort shawls for people in distress. Throughout the years, we have given away countless prayer shawls and knitted hats. It was her idea, and we just followed her lead. Over the years, we became fast friends, and shared our lives with each other as we knitted and crocheted. She was a light in so many lives, and she will be sorely missed for a very long time.*
