“ Our dear sweet papaw Harold will be so missed. He was a wonderful man who made a huge impact on our family's lives. My children were so lucky to have such a great man to call papaw. I know we all wish we could have had more time with him here on earth, but our heavenly father evidently had another job for him at his side. I told the kids that Though we cannot see him we can still talk to him and know in our hearts he will always be there. May God and our Papaw keep our hearts warm till we see him again. Love you Harold Amen

“ Bro Harold was a great friend. He was one of the kindest people I have met.
He walked a walk of faith without complaint. He finished his race admirably. Now his forever life begins on a higher plain.

I was a caregiver several years ago for Harold's Dad, and got to know Harold. He was such a king loving person, and was so patient with his Dad. I am so sorry for the family. May God bless all of you and comfort you during this difficult time. With heartfelt sympathy, Susan K. Smith, worked with Southwest Agency.
