*Herbert Leroy Carter, at times gentle like his Dad & at others as stubborn as a bull,  
the first and only true American cowboy that I've ever known & most likely the last.*

*I was 16 when we met, the only two things we had in common were length in nature, mine being a pony tail and his a horse whip!  
We bonded when I took to feeding his Duroc hogs in the back pasture, my favorite a humongous male named Porkie.*

*I took this picture with Aunt Joyce beside me in mid 1970's at the Sandy Shoes Parade*

*Uncle Chuckie's in the picture also disguised as a horse (Herbert's words back then, not mine! :-)*

*I love you all, may you find peace & strength in each other!*
