“ *Mr. Wadley was a great friend, one I will truly miss. He made sure you knew that he was your friend from the start. We could have been talking about anything from the weather to banking to his years in service, and he never failed to ask how I was, how my family was, or just how things were going in general.*

“ *Jazz had a twinkle in his eyes and a smile on his face every time I saw him. After a chat with him I parted with a lighter gait and smile. How could such a positive attitude not rub off on anyone? He enjoyed life; he was kind and polite; he loved his family and friends, and he displayed the nature of being from the greatest generation. I respected Mr. Wadley. He was such a southern gentleman, and he made me happy being in his presence.##imported-begin##Patsy Nobles Jones##imported-end##*
