“ Like countless others, my brother & I both had Miss McCollum in 5th grade. I loved her dearly. She had such a ease in her teaching style, unless you ruffled her feathers. I also enjoyed many a 1st Sunday in May decoration day with her, too, where many of my maternal grandmother's family members are buried. She made a lasting impression on me as a young child. May God bring comfort to the relatives & loved ones she's left behind. Teresa Grimes
