“ I remember Mrs. Irene from when I started working at Southhaven years ago, when she was their. she was always so sweet to me, and had a smile all the time on her face. She always greeted me when I came to sub, and ask how I have been , and I said the same back to her. I have subbed their off and on a lot of years, and I have missed seeing her up front when I come to work at the school. she will be deeply missed by me, and a lot of people I know. A wonderful lady. Will be praying for the family. My deepest sympathy to you all.
