“ So many memories I have of Jimmy...we laughed, cried and reminisced together over many things. He was a great man, not because he was perfect but because he knew he wasn't. I will miss my buddy, cousin and friend. He never failed to say I love you or if you need me or if your momma needs me, just call. That always meant the world to me. This is not goodbye, just a see you later. Love you Michael, Robin, Dana and Michael and family more than words can describe. Know your hearts have bigger holes than mine. I hope you all know that I am always here for you.
