“ So sorry to hear about James, we were in high school together, knew him thru the years after as a friend, customer at the bank and then when he worked at Walmart. He was always friendly and always had time to talk. Glad I had the opportunity to have him as a friend.

“ I will always remember Mr. James. He was a great person to talk to. He loved to follow the storms on the computer. When it got bad he would always show me the map and tell me to be careful. I'm going to miss him. Sending prayers for the family ?
