“ Jimmy was one of the first people we met when we moved to Lexington in 1985. He was a man of honor, a big smile, & a great sense of humor. He was a great archer, & loved sharing his knowledge of the sport with so many. He was one of the friendliest people we have ever met. Saw him many times in later years picking out a new book at Walmart. Our thoughts & prayers for Marie, Kathy, Barbara & the rest of the family. He will definitely be missed!

“ If Robin Hood could have shot a bow as well as Jimmy, then he wouldn't have had so much trouble in Sherwood Forest. Back in the 1960's, when I started bow hunting, no one was more helpful as Jimmy. We hunted LBL together, he was instrumental in hundreds of beginners talking up archery. I simply don't have the words in my vocabulary to adequately describe what a nice guy he was. My condolences to all of his family.

“ *My prayers and condolences to the family, I worked with Jim for years and always found Him to be straight forward and honest(if you didn't want to know how he felt about something, Don't ask.). He always had a story to share, Jim will be missed by many of his friends. Rest in peace my friend.*
