“ Though I never got to know you all very well, Janice and I stayed in touch via e-mail (her more than me). I am Earl Beasley's son so we were first cousins and she was almost exactly one year older than me - my birthday is Jan. 9. Stopped by to visit with her and Jimmy a few years ago and was hoping to do so again this past year, but my wife's illness prevented us from travelling. Our thoughts and prayers are with all the family members. May God give you a sense of peace and comfort at this most difficult time of losing your loved one.
