It seems like I have known Jean and Willis my whole life. In my book two of the best! My heart is broken for my friend Willis. They were so good to my momma with their visits and phone calls. Keeping Willis and family in my prayers for comfort only The Father can bring. Leigh Ann Hutcherson Johnson

Jean and Willis were 2 of the first people we met when we moved in the area. I knew Willis and family when I was a small child. Two of the most faithful and kind hardy people I know. Always checked on people that were in the hospital, daily. Always brought food to my family when we were in need. I will miss her very much.
