“ I remember years ago when Jerry was a small boy and a group of us was working on New Beginning Church, Jerry looked at me and said so serious , will you hold this nail for me while I hit it with the hammer, Over the years I have laughed every time I thought of that precious moment when little Jerry was trying to do his part in the work of the church. I'm so sorry that this young man has left us, We are praying for you all, love you Kathy, lean on God he is your comforter, and we will see Jerry again
