“ Nell-

Our thoughts and prayers are with you and the family at this time. I had a lot of respect for Jerry and valued his opinion at work. He was always my "go-to" guy when we worked together in Purchasing so many years ago. I know he's in a much better place. God bless you all in the coming days.##imported-begin##Nancy Tolley##imported-end##

“ Nell, thinking so much of Jerry tonight, on the nights that you and Glenn rehearsed your singing at our home, I would have the remote controls, and the Jackson sun ready and laying next to where he would sit and he would recline and enjoy himself while you two were singing up a storm. It really made me feel good that he would be so relaxed. Love you and your family. All of you will be in our hearts and prayers.
