“ Great Uncle Willard was an awesome story teller and he remembered a lot of details about his previous visits to Illinois. He came up here several times in the last few years and was always glad to see everyone . I am glad I got to know him better and will always remember his smile! May God Bless Willard and Lola in heaven!

“ I remember going to South Fulton, Ky with Bro. Wells with his wife and son Dale. Dale and I were in the back seat and Bro. Wells turned onto a road, a divided 4-lane he turned into the on-coming lane instead of the right lane and we were driving like we owned the road until Dale and I realized we were in the on-coming lane. We got excited and started loudly telling him he just calmly drove to the next divider and turned and went into the right lane all the while saying I got this. LOL That was him seemingly to me no matter what he kept his cool. He will be missed greatly. God bless his family!!
