“ Dear Diane, Cookie, Jeff, Jackie and Fehland Family-
I didn't meet JR until later in life- I recall the first time I meet JR- He
drove up from Texas to meet his Tennessee brother's and sister's
which he had never meet- I recall the Brothers and Sisters had
talked so much about JR and was so happy that he was coming to
Tennessee to meet them- Of course, knowing me, I had to meet this
man that I had heard so much about- After meeting JR I accepted
him as a brother even though we wasn't kin- JR was a man that I
highly respected and a honorable man- I deeply regret to here that
JR passed away and I know without a doubt that his siblings and
family will miss him dearly- If it's anything you need or any help in
any way please don't hesitate to call me- To follow is some
comments about a rose: A Single rose of love, A Single rose of
affection, A Single Rose for a wish upon my lips, A Single Rose for
a thought of dad and brother- A Single Rose of a desire to be
granted, A Single Rose for a moment of seventh heaven, A Single
Rose of love never to be broken, A Single rose for one lasting hug-
A small prayer that I hope will help during this time and sorrow.....
“Dear Lord, Please help the Fehland family in this time for their loss
and grief- Sometime we don't understand why life is filled with this
pain and heartache- However I am asking you Lord to seek strength
for the Fehland family to trust in your faithfulness- They will wait on
you and not despair; They will quietly wait for your salvation- Their
hearts are crushed, but I know that you will not abandon them-
Please show your compassion, Lord. Help them through the pain
they are enduring- I believe the promise in your Word you will send
them fresh mercy each day- Though we can't see past today, I trust
your great love will never fail them. Amen”.....Wayne

“ I want to say thank you to Momma, Amber, Alan, Jesse, and Melissa. Thank you guys so much for letting me and Kevina into your family and giving us a chance to get to know the wonderful man that I have called Daddy for the past three years. You guys have done so much for us. You don't realize how much. JR was the daddy that I never had. He accepted me and Kevina as his own. We will greatly miss him but he is never really gone. I want to let all of you know that I am here for you guys and I love you all very much.##imported-begin##Samantha Fehland##imported-end##

“ I loved you so much uncle JR, more than words can say! You and your wife and kids were the only ones in that side of the family that ever made me feel like family. When ever I was alone and felt no one cared I would think back at all the little things you did for me, like take me for a coke or something like that and it mint the world to me because I new you cared! You always took the time for me when I was little and I never forgot, and I just wish I had told you before now when its to late how much that time and you mint to me! I love you all and wish so much I could have saw you before your time was up! The world has lost a great man with you gone! Love Robbie Jo###imported-begin##Robbie Jo Miller/ Pena###imported-end##
