“ I'm sad to learn about Joe. He was a very likable person. Hortense, I think I knew him long before I every knew you. He would come to the lumber shed and was friendly to everyone. I just called mother and dad, and they did not know about it. Daddy does not drive at night except to church, so they can not go to Lexington and with the cold weather they are afraid to be out much.

We all want you and the family to know that you are in our thoughts and prayers.##imported-begin##Doris Buck##imported-end##
