*You are in my thoughts and prayers. I just couldn't believe this when I heard about it. God needed another Angel in Heaven to watch down on us. Joe always had that special little smile on him. He protected us down here on earth, by the Tennessee National Guard, now he is protecting us up in Heaven. I love you all, and Teresa you have always been there to encourage others, especially me, now it is your time to let others encourage you. Again you are in my thoughts and prayers. Love you Always. God bless and guide you. Kim Carroll and family*
