“ So sad to hear this about Mr. John. Steve and I talked to him on the Wal-Mart parking lot less than 2 weeks ago, he was talking about retiring in Sept. we talked about DQ and things I guess 30 minutes. I always liked Mr. John. Prayers for his family during this difficult time. God bless you. I have fond memories of him and I know he will be missed by many.

“ I was very sorry to hear about John's passing. I saw him the other day working on a lawn mower at my neighbors. I worked with him at Young Radiator years ago. We would talk about those days when I saw him usually at the Reagan Café. John was a hard worker and I know he will be missed. I'll be praying for the family.

*To Doris, Carl, all the children & grandchildren: I am so sad to hear of John's passing away & my heart is heavy for each of you. Mama Jowers thought a lot of him, as do the rest of us. As Mother said, just this morning, John always was the "work horse" of the bunch & that rates very high with us. I hate so much that I am not able to be with you today, as I had intended. I WILL keep you all in my prayers, as you adjust to John's absence. Remember to think about all your good memories of days & years past & he will always be with you.*
