“ Dear Jennifer,
I know that this is a difficult time right now. Remeber that when you can't go on, that is when you let God carry you and your friends support you. Stay strong my friend. Know that John is not suffering anymore. Call if you need a shoulder to cry on. You and your family are in my prayers.##imported-begin##Shirlene Furnish##imported-end##

“ I wish I could be there with you all. John was the most mechanically minded person I have ever known. I truly beleive he could do anything he wanted to. John's greatest shortcoming he shared with his father, mother and siblings and that was expressing his love. I loved John and I love you all and wish you peace and happiness....Larry##imported-begin##Larry Rupprecht##imported-end##
