“ Michael I am so sorry about your dad. He was such a good friend to me for many years. I will never forget him or your mom. I may not make it today as I may have out of town company. Know that my thoughts and prayers are with you. John loved you very much and was very proud of you. We never talked that you were not mentioned. If you have an extra picture of him I would love to have one. There will never be another John Hamlin. Love,
