“ Pafford Funeral Home created a Tribute Video in memory of John L. McPeake

Pafford Funeral Home - April 28, 2012 at 12:00 AM

“ Brenda, Tim, Inita,

John L. was a friend to every member of the Garner side of my family including me for all the 66 years I've been alive. We all appreciated and welcomed his friendship. In this day and time men like John L. are becoming very rare indeed; the values and rules by which he lived and which made him such a good man are slowly becoming diluted or are disappearing altogether in our modern society. I don't expect to make any new friends during the rest of my life that can measure up to the standards which John L. set for himself and you.

The last time I saw John L. was at one of our Garner reunions along with Inita. I will hold that memory close as well as many other fond memories I have of him. The world is a poorer place because of his absence. I shall miss him.

Sincerely,

Bob Garrison##imported-begin##Bob Garrison##imported-end##
