“ So many memories of Daddy. Here’s 2 of my favorites. The day I got married I was so scared. Me and daddy started down the aisle. He stopped he said little girl you see that door I’ve got the car parked outside we will go right out that door nobody will say a word. Lol when me and mead were in band at north side high school when north side played Lexington daddy would show up at the game proudly wearing his north side marching Indians sweatshirt with his red turtleneck underneath to support his hometown team He was big red thru and thru
