*Carolyn, I am so sorry to hear this sad news. Johnny and my husband, Billy Magers were drafted into the Army and were stationed at Fort Campbell. You and I traveled up there to see them only to learn we could not find a hotel vacancy anywhere near the base! We traveled for miles just to find a small room! This sounds just like it was only yesterday! I lost contact with you but have thought of you all often. I remember Johnny and you being so nice. Prayers for you during this sad time.*
