“ He was one of the greatest teachers of my life, leaving an indelible mark. He fed my love for Language Art--reading, diagramming sentences my 6th grade year. He had so many creative ideas for our 5th/6th grade classroom. He made the stand with the "mouse traps" where we would fold our homework in quarters and put under our "spring", labeled with our names. He made a little reading room out of arranging the bookcases as walls where we could go read after our work was showing in our "mouse traps". Oh, so many wonderful memories of that year! Yes, I may have been called "teacher's pet" many times, but I respected and thoroughly enjoyed Mr. Johnny Pollock as my teacher. Prayers for comfort and peace for his loved ones. I am so thankful I ran into him and his wife at Savannah Bluegrass Festival a few years ago, as I had wondered about him many times during my adult life.
