# Tribute Wall

“ Please accept my condolence on Dick's passing. I only recently learned of his death. In 2000, after some genealogy correspondence, I drove to Lexington, met Dick and his wife and he graciously took me to several locations related to my Small ancestors in Henderson and Carroll Counties. In 2009, after losing track of him, I drove back through Lexington, hoping to find him still doing well. I learned from the lady at the Timberlake (Wife of the Lexington Police Chief as I recall)home that he and his wife were in a nursing home out of state. Again, to his family and friends, my sympathy goes out to all of you. I thought him a true gentleman.##imported-begin##Rick Paddock##imported-end##
