“ Uncle Johnny, Mom (your sister; Velma Faye Maness) is now with you. I know she has missed you so very much since you left us almost 10 Years ago. Now almost 10 Years later she is with you and our Lord and Savior. I remember you coming over to help me make flowers for decoration because you knew I worked so hard, and you was doing everything to help me get them done. I also remember you helping me get the kids gifts together for Christmas; on Christmas Eve but not before you and Hub rode the shooters around in the kitchen. I still don't know how it didn't wake them up, and finally I remember when; Mom and Vicki both was in 2 different hospitals in Jackson at the same time and I was having to run back and forth to be with them both never going home. You worried so much but when they came home, and we did everything together to help them get well, is when I seen you were as happy as I have ever seen. Now Mom and Vicki both are with you and as I cry for my Mom this time, I do understand that you are all at together with no worries and no more pain and sickness. You and mom will always be in our hearts, WE LOVE and MISS YOU SO MUCH, Love Brandy McDaniel Hale, Cassie and Emilee McDaniel and Justin Hogg

“ Thank you for being you. You were always so proud of me and never failed remind me that you loved me and always gave me a big hug. I will miss you so much and will never forget you. There will be so many that will wonder now that you are not here to guide them. I hope they find comfort in you being saved as I have. I know you have found peace in our heavenly home that you searched here on earth for so long. To my favorite uncle from your niece Angel. I LOVE YOU!!!!!!##imported-begin##angel wynes##imported-end##
