“ Susan and Bud, Your Mom and Dad have been a huge part of my life since the first day I met them. I love them both dearly. You only have to look at the picture you chose to use here to see the kindness, the love and the sweetness of Joyce. I received this picture a few years ago and am so thankful I did. I have so many stories and wonderful memories that it would take a book to share them, and I treasure each and every one of them. I share your loss and your love for this amazing woman. I also share the comfort that she has joined your wonderful Dad in the arms of God.
