“ Mrs. Juanita Goff was one my favorite family’s during my home health journey. Her and her family became like family to me and every time I seen her after my home health journey ended, she would all ways hug me and tell me how she missed me and that she loved me . I absolutely loved all the visits and sitting outside on the porch hearing about Mrs. Juanita life growing up and the love she had for her family all while she enjoyed her coca-cola. She’s was on of the most sweet, caring ladies and always so welcoming. You will be greatly missed, Mrs. Juanita! Mrs. Juanita Goff was one my favorite family’s during my home health journey.
