“ My husband Ken and I both attended Messick High School and have know Jerry from the 'Park and Highland Gang'. We saw them again at the annual party, held the first Saturday in December for a number of years.

I last saw Jerry & Nita at the 2007 get together at the Cockeyed Camel on Primacy Parkway. I made some photos - including one of Jerry & Nita. She looked so cute and seemed to have a good time, in spite of the fact that the dementia was underway. If you would like a copy, email me at address above. I will find it and email it to you.

I have a special pain in my heart for you because my 94 year old Mother has Alzheimers. The person she was has disappeared - but she is still my Mom.

God Bless You.

“ Please accept our deepest sympathies on the loss of your dear mother. We knew Anita and love her too.  
We will never forget when she and Jerry went to the Golf Tournament in Hawaii and her heel of her show got caught in the escalator. To hear her telling in we all nearly busted our insides out laughing.

Don't remember her through tears, she would not want that.

She loved you all so much.

and "There is nothing on Earth that Heaven can not heal." Unknown

We have you in our prayers.
