“ Randy and I will miss Judy's friendship. She was the only person we knew who still sent old fashioned Christmas cards. I will miss our late night chats. Even though we had some different opinions we always respected each other. I've known her for as long as I can remember. I know she was prepared for eternity. I know we'll see each other again someday. Love you Judy. Our sympathies to Rickey and Jennifer.

“ *I became friends with Judy when I got my first job out of college at the Department of Human Services. Judy and I had cubicles right beside each other. I always enjoyed the conversations we had and I was shocked and saddened to hear of her passing. Judy was a fine Christian lady and I know she is with Jesus now. I am praying for Ricky and Jennifer to have peace and comfort.*
