“ I'm not good at this but Judy Sue was one of my favorite cousins along with her two sisters we grew up together most of the good times of my early life was spent playing with them. I am going to miss our talks the last year we started talking a lot and I'm so glad we did I hate that I didn't get time to drive up to see her but I never dreamed she would get sick. I know she touched a lot of people and will be missed more then she will ever know I love you Cuz and will never forget you.....
