Justin was a very special friend to our family. He had such a kind heart and was always willing to help whenever there was a need. We knew that if we ever needed him for anything, day or night, that we could call and he would be there. We spent lots of great moments together, whether it was in our home or at the shop while he worked there. He was always good for a joke and a laugh! He will certainly be missed and never forgotten. Thank you for sharing your son with us. Love to all of you; and our deepest sympathy.

“ *I knew Justin since high school. He was one of my brother's best friends, but he was a friend to me too. He was more like another brother. Always aggravating me, but I didn't mind. Justin.....you were loved. A lot of your friends loved you as well. We shared lots of laughs together, which I will never forget. We will all miss you so much. To his family.....we will be praying for you all every day. Much Love and Prayers.....Tiff.*

“ *Glynn and Wanda, we are so sorry to hear about Justin. When Leo did some tile work for him, he would come home and let me know just how polite Justin was. It is nice to know that there are still young people with politeness and manners. We pray that God will wrap his arms around you and give you that peace that only God can give.*
