“ I am so sorry that I wasn't able to make it to the visitation or the funeral due to the weather but please know that you all are in my thoughts and prayers! I loved Uncle JV sooooo much, as my precious mom did! I loved to hear of the stories after Mom and Aunt Shirley would spend the weekends before Mom passed away with the aunts and uncles and the fun they would have; by the way, I am still mad that I wasn't invited! :-))I can't help but just smile when I think about Uncle JV and how funny he always was. I can just see him and mom running up and down those streets of gold finding Pop and all of his other brothers that went before him. I love you all!
