“ The world has lost a truly great human being who was without a doubt also one of the greatest characters I ever met. I respected Mr. J.W. and anytime I have ever thought of him a warm spot was felt in my heart. Annitta, you have many of the traits that made your father great. Remember him well for he has had the greatest influence on who you are now.....a strong and good spirited person.##imported-begin##Bobby Davis##imported-end##

“ Annitta, Krystal and Will,

My thoughts have been with you all for months and they continue even more so now. Your family is a wonderful testament of what can be done, together. So many of us have been honored to share in this journey with you all, even if it has only been watching silently or listening when things seemed almost unbearable. I pray that God blesses each of you with a peace that passeth understanding in your hearts now and in the days to come. Much love and sympathy,
