“ Trina and Jessica, you both know that I love you so much and I am with you all in this time of trials. I Have known all three of you from the times of your births and I have felt like your aunt instead of your friend. God knows our hearts and he has a reason for things we don't always understand or want to understand, . I believe his plan for Kasey is a tremendous one because of the many lives she has touched over the years.Kasey was so loved and never neglected by the people who really loved her. I know that the people who missed out on knowing her life missed out on the hand of a great and wonderful God at work.Let us all pray for the lost souls that may never know the joys and wonderful life that Kasey is now living. I can only imagine!Thank you Jesus for all of your blessings, even the ones in disguise.I love your family dearly,please remember me if you need a friend or anything.I will be there.##imported-begin##Becky Simpson##imported-end##

“ Trina,
I am so sorry for your tremendous loss. I can't imagine what you are going through. Kasey Brooke was an EXTRA special angel from God. I viewed the ENTIRE video tribute, and it was the best tribute I have ever seen. What an angel! In case you did not recognize the name, I graduated with you in 1986. I wish you many days of sunshine and continued precious memories of your angel. All the best, Cindy Lewis Bryson##imported-begin##Cindy Lewis Bryson##imported-end##
