“ Kathleen was more than our friend, she kinda adopted Mark, Nathan and I, after the loss of Marks Mom. She was always on the look out at the thrift stores, searching for fireman stuff for the guys, and her findings always brought a smile to our faces, when she would bring them to us. Sure gonna miss hearing about all her traveling adventures . I will forever treasure my memories with her, especially the ones in church, when we both would stop singing, and share a laugh . if anyone sit close to us, caus we both knew that neither of us could carry a tune. I know that she is singing with the best of the angels now. Prayers for the family that have experienced the loss of this great lady.

“ My heartfelt condolences to Debbie, Diane, Robert and the extended family. I am so saddened to hear the news of my Aunt Kathy's passing. My late mother, Priscilla Stuart, was her oldest sister. Aunt Kathy was an enthusiastic traveler and loved lighthouse houses. She climbed every one she could and those she could not, she took pictures of. Here's a picture of the last time I saw her when she visited us in Grand Marais, Michigan, in July of 2016. She was taking a picture of a lighthouse here. She was so full of life and a great spirit. I'm glad I got to see her this one last time. She will be dearly missed and I shall always have fond memories of her. Godspeed Aunt Kathy. We love you.
