Dear Herbert and family, so sorry to learn about your loss of Kathleen. She was a wonderful lady and so loved talking to her about her trips to Germany and the goodies she would bring back to me at the office. Not only did we value you as a important insurance client of ours , but also dear friends because of our Germany connection. So sorry that we can not come to the Funeral Home, but we are in Denver, Co. for about 10 days visiting Family. We will keep all of you in our thoughts and prayers during this difficult time and in the days ahead. May God watch over all of you. With Loving thoughts, Anna and Glenn Kirk
