*I remember this day very well. I believe this was the Poag Family Reunion. We enjoyed the day at Debbie and Jay's place. My father loved to play guitar most definitely, but he also loved to have fun and joke around sometimes when picking a song or 12...my father loved singing na dsometimes would go for a couple of hours without stopping. What an amazing talent he had and what an amazing spirit and amazing love with no bounderies for his family. I Love You beyond words Dad and I miss you every single day. I was a "Daddy's Girl" and will always be.*
