“ You kids don't know who I am, But I worked with your Mother and Father many years ago, on my very first job. Larry, was so good to help me learn the things that I needed to know to do well. Plus he kept us laughing. I like and admired him very much and Peggy was wonderful to me as well. I know that you miss them both, but maybe it will help to know that they are not forgotten by whose of us that their lives touched.##imported-begin##Betty (Melton) Carrington##imported-end##
