“ Although your body is still, your memory will linger. Your absence will be filled with good memories. Comfort will replace sorrow in knowing the Lord's promise to us all:

"The work of righteousness shall be peace...and my people shall dwell in a peaceable habitation, and in sure dwellings, and in quiet resting places..." Isaiah 32:17-18

“ Papa, my world got a little colder the day that you left us. I know, because my God is faithful, that it is not forever, although it feels that way right now. Mere words cannot express how much I love you and will miss your radiant smile and the way that you would crack a joke each (and every ;)) time that you would answer the phone or the door. I can't thank you enough for loving me and my family, for being an outstanding role model for Colin when he didn't have any. God truly broke the mold when He made you. You are the kindest, most selfless man that I have ever known and I pray that my children will strive to possess half the wonderful qualities that you have. They had a wonderful example, even if only for a little while. I praise God that I had you for 24 years and that I will have you for an eternity in Glory. I love you with all my heart and soul, forever. Your loving, adoring granddaughter, Tennille###imported-begin###Tennille Reeves###imported-end###

“ Larry, in reading tams and brandons statements you were loved so much by so many. I was not around very much due to having my life in another part of the world but when i was around you, you were a kind and very nice. I feel so bad for the family and aunt barb, with her faith and the love that tam and the grandkids have for her and for you...she will be ok...it is just like i put on my daughters stone..."See you in the morning" ...and that larry is a promise from the lord.....and we will all be healed and together again....God is good...amen...##imported-begin##Eric Blankenship##imported-end##

“ I miss you so much already. I always took it for granted that you would be here anytime I needed you. You are in most of the best memories I have. The times we went to the Nashville races, all of the Thanksgiving and Christmas times we played cards, and all of the major events in my life you were there. You taught me so many things. I have never hurt as much in my life as I do right now. There is a place in my heart that is gone and can never be filled again. I just thank God that we were blessed enough to have as many years with you as we have had. I promise to take care of Mema until you meet her again one day. I love you and I'll see you soon...##imported-begin##Brandon Woods##imported-end##

“ To Miss Barbara and family.
I just heard of Larry's passing and I want to express my condolences. I worked with "Reed" as we called him at DeVilbiss for 16 years and I can recall many happy times we shared. He was always smiling and had enough fishing stories to fill a book. I know you will miss him and I ask God to bless you in this time of sorrow.

“ It is now 1:00 and I have just had a friend call to tell me about Larry. I haven't been in contact for many years but have thought of him often. We were close many years ago and he spent many hours at my house. My mother was a second mother to him after his mother passed until they moved back to Scotts Hill. Make sure his Dad knows I left this message.##imported-begin##VIVIAN WILLIAMS GROOMS##imported-end##
