We are so sorry for the death of my first cousin. She was so great. She gave me the reel tapes of our papaw Charlie Duck and mamaw Nora Duck a few years back. I've posted them on facebook. I did not know she had moved to Jackson. Last time I saw her was at Scotts Hill. Love that whole family. Condolences from Rickey and Becky Duck and family. God give comfort to her immediate family.

“ *Mrs. Majure was so kind to my daughter and our family back in 2002 after my daughter Lynne came home from a 22 day hospital stay after a terrible car wreck. She was one of our neighbors at the time. She came to visit my daughter bringing her the sweetest gift. I learned that she worked as an RN for the Dept. of Health, which is where I am currently employed. She was such a sweet and kind lady. Sincerest sympathy to the family. Regina and Dale Moody*

Mrs. Majors to us Lee. She was a faithful Christian who attended every service. She was a very kind and caring person. She has been missed since she moved to Jackson. She was always ready to do her part and more in activities. When she sold her furniture before moving to Jackson, I fortunate enough to purchase her Chipendale dining suite which I cherish very much. Lee will always be missed. Margaret Dyer

Thank you so much Regina! I really appreciate your kind message and hope your family is well. Being a nurse was so important to Mom. She maintained her RN license her whole life — even at 88 years old. Thank you again for sharing this story with me.

Thank you Margaret for the lovely message and lunch on Saturday. Mom loved being involved with church and her friends there. She was so pleased you were able to use and enjoy the dining furniture after her move to Jackson. Take care and thank you again!
